The Old Gold of Achievement

Published by
The Senior Class of '25
of the
Iowa State Teachers College
Cedar Falls, Iowa

Volume Nineteen

Foreword

To inspire the youth of our land to higher and more noteworthy ambitions, to show our respect and praise for those who have attained that desired place and are still reaching upward, and to portray the accomplishments and ideals of the student body and class has been the aim of the 1925 Staff in publishing the Old Gold of Achievement.

Dedication

To

Mr. R. W. Getchell

Whose sincere and earnest assistance
and kindly encouragement, advice and
interest has made his friendship a
much prized gift of the student body
and particularly the Staff, this
Nineteenth edition of the Old Gold
is affectionately dedicated

Gumbo Lilies

IN the mud and slime of things,
Something always, always sings”

Gumbo lilies from the coze—
Upward! Soul, be what you choose!
See the lace winged dragon fly
Sailing, airy, toward the sky—
From a cozy pool of slime,
Slow he forced his upward climb,
From a still and stagnant pool,
Comes the water lily cool,
Fragrant, beautiful to see!
It is then for you and me
To condemn a thing as slime?
Within, struggling toward a climb
Some imprisoned Spirit dwells,
Which, with whispered word, impels,—
“Try to make the upward start
While the thought is in your heart.”
Magdalene? Christ stopped the stone
Which some sinner would have thrown—
“He without a sin may throw,”
No one dared to strike the blow—
From her sin scarred soul, instead
Raised a glory-haloed head.
Oft we say no good is there
’Til some great deed lay it bare.

Gumbo lilies from the coze
Upward, soul, be what you choose!

MARGARET BALL DICKSON.

THE GATEWAY

*"A gateway to knowledge and service;
A gateway to life with an aim."*

ADMINISTRATION BUILDING

*"Whose halls offer culture and learning
Whose spirit is one, true and loyal."*

THE LIBRARY

*"Thru' seas of Knowledge we our course
advance*

Discovering still new worlds of ignorance."

THE SCIENCE BUILDING

*"Glean from the world's vast field of science
and of art
Higher ideals of living; a will to do our
part."*

THE GYMNASIUM

*"Great manliness and love of sports
A grave, wise thoughtfulness and truth
A merry fun outlasting youth."*

BARTLETT HALL

*"Where hand to hand its greeting so kindly
gives;
Where hope is never dying and friendship
lives."*

PRESIDENT SEERLEY'S COTTAGE

*"Our deeds still travel with us from afar,
And what we have been makes us what we
are."*

THE FLAG AND CANNONS

*"The union of hearts, the union of hands
And the Flag of our Union forever."*

TO MR. WARREN L. WALLACE

Our adviser throughout our four years at Iowa State Teachers College who has bestowed upon us his sincere friendship and worth-while counsel, we hereby, fondly dedicate these pages.

SENIOR CHRONICLES

Four years ago, there entered this college an unusual class of Freshmen; the B. A. Class of 1925. From the first it set the ball rolling, and things "happened" that Freshman year. It far surpassed the exalted heights of Sophomore wisdom, and sailed into a most active and successful Junior year—The Washington Ball was one that George himself would have been proud to attend, and the Junior-Senior Banquet was the talked of event of the season—The class never once shrank from the duties and responsibilities of the institution. Then dawned a brilliant Senior Year—The Second Annual Class Day, sponsored by the class, created more interest than ever, and the Senior Chapels have been most impressive and effective.

The achievements of the class as a whole, and its individual members, make the class stand out as one to be long remembered as a progressive factor in Iowa State Teachers College.

SENIORS CLASS SONGS

We're wise and learned Seniors, so give a cheer!
We lead as you know
Wherever we go.
And we have strived for T. C.
We love so dear
Our love we'll ever show.

Chorus:

We'll sing and cheer and merry be and merry be
today, my friend. (Repeat)
For its soon time my friend
We leave thy halls.

We Seniors all are boosters for S. T. C.
Tho plenty of work.
We never do shirk.
We leave the finest records
For all to see
Traditions 'round us lurk.

Chorus:

—DOROTHY MCFARLAND

We are the Seniors of '25,
As you can see we are alive,
We help to make the fame of old
I. S. T. C.
T.! C.! Rah! Rah!
No job too big for us to do,
T. C. to you we're always true,
We set the pace when we arrive,
For we are the Seniors of '25.

—IRVING WOLFE

THE JUNIOR CLASS

The Junior Class is composed of about two hundred and twenty boosters who have in the past year been active in all college activities. They have carried out the traditions of the past in all lines, and the Washington Ball was one of the biggest successes in the history of our school. The Junior-Senior banquet was also a real feature of the year's activities.

In the coming year, the Juniors can be expected to carry on the traditions of the Senior Class and add something to the store of pleasant memories of college life.

The Sophomore Class realizes that it is endowed with various responsibilities and duties to be performed as the B. A. Class of '27, and a part of the student body of I. S. T. C. It realizes that it must in some way catch the spirit of Iowa State Teachers College, and pass it on to other classes to come, greater and stronger than before. It realizes that there are school activities in which our school is measured up against other schools, and that it is the obligation of every student who can do so to take part in these activities. It realizes that there have been standards set up at T. C. and that these standards must be kept.

The Sophomore Class is glad that it is a part of I. S. T. C., and it hopes that what it is doing will in some way further the glory of T. C. It is a large class; over two hundred. It has representatives in every branch of student activity. Literary societies, glee clubs, football, basketball, track, wrestling, the band, the orchestra, the Y. W., the Y. M., the *College Eye*, the Dramatic Club, and the Debate Teams—each one has its quota of Sophomores, and in many cases the quota is a large one.

There is one aim that the Sophomore Class has in view and towards which it is striving—to be an honor to Iowa State Teachers College.

A FRESHMAN'S MISSIVE

(Just After Entering College)

Ray Azeltine wrote to his brother on the farm—

"Thursday we autoed out to the country club, where we golfed until dark. Then we trolleyed back to town and danced till dawn. Then we motored to the beach and Fridayed there."

HIS BROTHER'S REPLY

"Yesterday we buggied to town and baseballed all afternoon. Then we went to Ned's and pokered until morning. Today we muled out to the cornfield and geehawed until sundown. Then we suppered and piped for awhile. After that we staircased up to our room and bed-steaded until the clock fived."

FRESHMAN B. A.

AN EPITAPH

Senior—

Remember, man as you pass by,
As you are now, so once was I
As I am now, so you will be.
Prepare for this, and follow me.

To which some Freshman added—

To follow you I'll not consent,
Till first I know which way you went.

Mr. Coffin had been looking over
"greeting cards" when Dave Walters
suggested:

"Now here is a lovely sentiment, 'To
the only girl I ever loved'."

Mr. Coffin: "That's fine!" I'll take
five—no, six of those, please'."

Mr. Fagan: "Mr. Stevens, give me
a simple sentence."

Eldon Stevens: "Thirty days."

Father: "Look here, Marie, I don't
object to you staying up late with that
man of yours, but I do object to his
taking the morning papers."

No doubt you think 'tis funny
So small a class to see,—
But though we're small numerically,
We're strong for S. T. C.

It's not the *largest* class that counts,
You surely will agree,
It's willingness to do our bit,—
It's pep and energy.

And just because we're "artists"
You needn't think we're "saps"
For we are quite intelligent
(Just see it on our "maps.")

The First Year Home Economics class has worked and played together all year. In the Fall term they were entertained by the Second Year class in the basement of the Auditorium at a party. They enjoyed a picnic at Dry Run later. The Style Show was largely made possible through the work of the First Year classes, and the class of '26 will go on in the spirit of coöperation that they have shown this year.

DEEDS PROVE

- I. The hours of the day of happiness
Fall reluctantly, one by one
And the golden joy of college life
Is gone—as a setting sun.
- II. The morning of Service will come so soon,
And emblazoned high on the sky,
We will find our banner glowing there—
“Deeds Prove”—it is our cry.
- III. While through the loose-clasped hand of Time.
The measured years skip on,
Gray days and glad, our deeds will shine
With the lustre of duty well-done.

—KATHRYN MURPHY.

THE JUNIOR COLLEGE'S CHOICE

Did you take the trouble that came your way
With a resolute heart and cheerful?
Or hide your face from the light of day
With a craven soul and fearful?
Oh! a trouble's a ton, or a trouble's an ounce,
Or a trouble is what you make of it;
And it isn't the fact that you're hurt that counts
But only—How did you take it?

And though you be done to the death, what then?
If you battled the best you could,
If you played your part in the world of men,
Why, the Critic will call it good.
Death comes with a crawl, or comes with a bounce;
And whether he's slow or spry.
It isn't the fact that you're dead that counts,
But only—How did you die?

—EDMUND VANCE COOK.

The Kindergarten Class of 1925 bids farewell to I. S. T. C. with regret, and many pleasant memories of past good times. The first event this fall was a party, where the Second-Year girls entertained the new girls in the basement of the Auditorium. Later on in the fall, Miss Hammond invited all the kindergarten folks to a tea, given in honor of Miss Barber, who was formerly head of the Kindergarten Department here.

On Class Day, the kindergarten stunt was, "Daisies Won't Tell," put to music. Pierret and Pierrot acted, while the daisies nodded. The other parties of the year were the Hallowe'en party, the Christmas party, and the Colonial party.

In the first year, the kindergarten float was first place in the Homecoming parade.

MANUAL ARTS SHAVINGS

Anderson: "What color do you think my mustache will be when it grows out?"

Stiles: "At the present rate, it will be gray."

Maxson (to an old lady): "May I accompany you across the street madam?"

Old Lady: "Certainly, sonny. How long have you been waiting here to go across?"

Nabholz: "What is the first meal in your day?"

O'Rourke: "Oatmeal."

Linn: "What would you do if I were to kiss you on the forehead?"

Edith: "I'd call you down."

Hopkins (on phone): "Is that you, sweetheart?"

She: "Yes, who's talking?"

Instructor: "Can you give me an example of a collective noun?"

Dayton: "Garbage."

Schell: "What time is it?"

Russell: "I haven't an idea."

Schell: "I knew that, but I thought you might know what time it is."

She: "My, but you have sandy hair."

He: "That ain't sandy, that's dandruff."

Larkin: "Last night I made an awful mistake."

Guyer: "That so, how come?"

Larkin: "I drank two bottles of gold paint."

Guyer: "How do you feel now?"

Larkin: "Guilty."

INTRAMURAL B. B.

McCreedy: "We play 'bye' Saturday?"

Stoner: "Do they have a strong team?"

WISE CRACKS

Bailey: "Now let's all think together on this matter."

Brown (discussing some old relic from the standpoint of design): "That's simply abominable."

Palmer (after bawling out class): "Now those are kind words, every one of them."

"No, Happy, just because you eat yeast, it doesn't necessarily follow you are a rising youth."

"It makes a man feel out of place when he loses his situation."

WANTED

Paul Weatherby—A date.

Johnson—To borrow a woodwork notebook, to save time.

Wiley—A jug of cider that is ambitious, and willing to work.

Don't fall for this, but if you want to make a hit with your profs.:

1. Come late.
2. Tell him you aren't interested.
3. Never come, if you can help it.
4. Speak to all your friends when you come in late—be democratic:
5. Never raise your hand, or recite, he might think you're trying to get by.
6. Never do today, what you can put off until to-morrow.

CLASS SONG

Tune, "Going Back to Oregon."

1. Oh, we came here in the autumn of 1923.
We enrolled in the Primary Class of dear I. S. T. C.

CHORUS:

We are Primaries!
We're mighty proud we are,
With pep and vim we started in,
With our wagon to a star.

2. We learned to work, and not to shirk, and have some fun each day,
And found our class to be the best in every kind of way.

CHORUS:

3. Oh, we love our Alma Mater, the best beneath the sky,
From her we get our slogan, "Primary, do or die!"

—WINIFRED RIDER.

We're from S. T. C., S. T. C.
Best school in the land.
Our aim is to help it stand.
We're from S. T. C., S. T. C.
Cheer for the Primaries!

SUCCESS

It's up to you, friend, to live good and true
Whether you'll fight nobly all the way thru
Or, whether you'll retreat and show the white flag,
So permitting truth and goodness to lag,
Defeated on the road to success.

It's up to you, whether constant you'll be,
In this land of the brave and home of the free.
Or, whether you'll tire of struggle and strife,
And wander in darkness the rest of your life;
Away from the road to success.

It's up to you, the battle to win,
And not to mind noise, or the incessant din,
The thing to do is to go out and hustle,
Forgetting the trials, trouble and bustle—
As you travel the road to success.

And remember, be considerate, gracious and kind,
And ever and always keep the Master in mind.
Follow ideals of mercy and right,
And you will win out, in this glorious fight—
Achieving victory and success.

—F. O. White, St. Louis, and Cedar Falls.

HISTORY AND PURPOSE

The Student Council of Iowa State Teachers College was organized during the winter term in 1919. The members of this organization are chosen as follows: two members from the Senior A. B. Class, one member from each of the third-year classes, one member from the entire sub-collegiate student body, and one member chosen jointly by the first and second-year classes of each collegiate course. In the past years it has been customary that the representative of the Junior A. B. class become president of the Student Council during his Senior year. This year, Edwin Brockman, who was president during the early part of the fall term resigned because of his work on the *College Eye*, and Raymond T. Moore was chosen from the Senior A. B. class to fill the vacancy.

The purpose of the Student Council is to promote in every way possible, the best interests of the Iowa State Teachers College; to regulate all matters of student conduct not falling under the jurisdiction of the Faculty, together with such other business as may be referred to it by the Faculty.

ACTIVITIES

CLASS DAY

Class Day is put on by the Senior A. B. class and sponsored by the Student Council. This is the first important event of the school year. Following the parade and stunts by each class, the Freshman, and Sophomores, are given a chance to work off their time honored grudge against each other in a push-ball contest and tug of war.

HOMECOMING

Homecoming is the big day at T. C., when all the "Old Grads," come back to look over the campus improvements, renew friendships, and recall old times. This day is filled full with the program in the auditorium, talks and remarks by former graduates and our President, Dr. Seerley, a big parade in the afternoon followed by a football game, and in the evening a dance in the Gym.

ALL-COLLEGE DANCES

All the "All-College" dances are "put on" by the Student Council, except the Washington Ball. A small admission is charged to cover expenses.

CAMPANILE

The Student Council has given a donation to the Campanile fund each year since it was organized.

THE STUDENT HANDBOOK

The Student Handbook was published by the Student Council of the College for the first time this spring. The expenses were paid by the Student Council and given free to the College students. This little book is intended to help the Freshman students in answering the many questions which constantly arise during their first weeks or month in college work. It is intended that this little booklet may be edited annually and given to all Freshman students when they enroll in Iowa State Teachers College.

THE MAY-FETE

May Day is a spectacle of beauty from beginning to end. First we have the crowning of the May Queen who has been elected by the students. This takes place on the lower campus. Then comes the parade with all the departments, clubs, societies, sororities, and fraternities represented and for which prizes are awarded to the best. The day is not complete without the Pageant put on by the Physical Education Department.

ORATORY

In the spring of 1924, the Interstate Oratorical and Extemporaneous Speaking Contests were held at Stevens Point, Wis., on May 2. Gladys Lynch and Lucille Knickerbocker represented Iowa State Teachers College, and each brought honor to our school by winning a first place. The subject of Miss Lynch's oration was, "Education for Peace." The general topic for the Extemporaneous contest was "The Eighteenth Amendment." Miss Knickerbocker drew the topic, "The Social Effect of Prohibition."

Janet Galford represented Teachers College in the Iowa Women's Intercollegiate Oratorical contest held at Cedar Falls on February 20, 1925. Her oration was entitled, "Physical Fitness."

INTERSTATE LEAGUE OF TEACHERS' COLLEGES

In the Interstate League of Teachers' Colleges, Oratorical Contest held at Cape Girardeau, Mo., on April 26, Janet Galford also represented I. S. T. C. as well as Iowa with her oration, "Physical Fitness."

Fern Farley represented our school and State in the Extemporaneous contest.

THE 1924-1925 DEBATE SEASON

In the Women's Debate with Parsons College held on March 21, 1924, the Affirmative Team from Iowa State Teachers College won over the Parsons' team, while the Negative Team lost at Fairfield. Ruth Forsberg, Janet Galford, and Altha Curtis represented the College at Cedar Falls, while the Negative Team composed of Mrs. Nora Maude Howell, Leah Mae Nefsgar, and Dorothy Haffa, went to Fairfield. The question was: "Resolved, That the United States should enter the League of Nations."

The Men's Winter Debate of 1925 was one unique in character, in that the Negative Team remained at home, while the Affirmative journeyed to Fayette to debate Upper Iowa on the Supreme Court question. Both of our teams won the honors for I. S. T. C.

SCENE FROM "SEVENTEEN"

During the year 1924-1925, the Dramatic Section of the English Department made a decided growth. Due to the increased enrollment, additional interest has been manifested in the phases of dramatic activity sponsored by the department.

The annual mid-winter play for this year, Booth Tarkington's "Seventeen," was enthusiastically received.

In the Oratorical Declamatory Contest, held at the close of the first six weeks of the winter quarter, and coached by Miss Helen Knapp, eight students participated, following two preliminary try-outs. The three winners were: Dwight James, with the oration, "The New South," first prize; Dorothy Wilbur, "America's Unknown Dead," second prize, and Walter Ruther, "Appeal for Cuba," third prize.

The work this year in the dramatic department may truly be called, "worth-while and profitable."

On January 13, fifty students, selected by the Dramatic Department, from the one hundred and fifty who tried out, organized a Dramatic Club. The purpose of the Club is two-fold: First, to arouse a keener interest in the histrionic art by means of giving more students an opportunity to develop ability along dramatic lines. Second, to attempt, by the work-shop method, the production of a series of one-act plays. A constitution has been drafted and accepted, and the future of the organization is assured, if the present interest and enthusiasm continues.

The members of Theta Alpha Phi, National Dramatic Fraternity, are coöperating with the club in the staging of plays. Bi-monthly meetings are being held, and at each of these, a group of members present to the club a one-act play for their criticism and suggestions.

A number of one-act plays have already been presented at club meetings, among them: "Overtones," "The Florist Shop," "Three Pills in a Bottle," "Thursday Evening," "Modes and Manners," and "Where But in America."

The English Club has followed its usual custom of meeting once a month at the home of some one of its members, except when the entertainment was of a dramatic nature, or was open to non-members. The programs have been not only delightfully entertaining, but full of information and inspiration. Among the numbers, we have had have been Miss Sorenson's sketch of her summer in Europe, Miss Buxbaum's discussion of the dialect in Mark Twain's Mississippi novels, an evening with Indiana authors, presented by Mr. Fagan, an evening "in Iowa," in which Mr. Roger Leavitt talked in his interesting and inimitable way on Iowa, presenting a background for Miss Lambert's discussion of Hawkeye writers, and a paper on "Some New View-points of Shakespeare," by Dr. Hardin Craig, who very generously came over from the University of Iowa and gave us a most inspiring address. Other evenings of pleasure were a program presented by members of the dramatic division of our Department, and an address by Mr. Lynch, our much-loved Head.

The purpose of this organization is to lend spirit and pep to the college activities, and to prepare young men so that they may become leaders of Community Bands or Orchestras. The year 1924-1925 has been a very successful one for the band and many of its admirers proclaim it the best band ever produced by this college.

The Art League of the Iowa State Teachers College was organized about 1907 for the purpose of bringing into closer relationship, the art students, art teachers, and those interested in developing a greater appreciation and knowledge of the arts and crafts.

The League meets once a week for one hour's practice in sketching from life or out-of-doors, when the weather permits. There are also occasions when the meeting is a purely social affair, or a study of the work of some master of painting, the review of a book, or some art theory.

This year, most of the members joined the class in Design and Color held for five weeks, by Mr. Ralph H. Johonnot, a designer and architect whose home is in California at Pacific Grove. Every one felt the inspiration given by Mr. Johonnot personally in his high ideals, and in the clear statements of color harmony and in the beautiful examples of old and modern textiles, pottery and painting used in the development of the problems.

The Commercial Club of Iowa State Teachers' College was re-organized in the fall of 1924, and has been very active since that time. Its membership includes members of the faculty of the Commerce Department, students majoring in Commerce, and students taking the two-year Commercial course.

The purpose of this club is two-fold: (1) To create a student interest in the affairs of the commercial world by bringing them in closer touch with business through talks made by men of experience; (2) To provide a social time for those students interested in the same work.

THETA ALPHA PHI

NATIONAL FRATERNITY DRAMATIC ART

Iowa Beta Chapter

Established I. S. T. C. 1923

Theta Alpha Phi, national dramatic fraternity, was founded in 1920. Interest in the fraternity and its work grew so rapidly that the organization now has a chapter in practically every state in the Union.

Iowa Beta Chapter was organized in 1922, and since that time has been doing much to further interest in the drama at Iowa State Teachers College.

During the year 1924, the fraternity has held regular monthly meetings at which the modern play, playwright, and actors have been discussed. On August 14, the play, "The Famous Mrs. Fair," by James Forbes, was presented by members of the fraternity. As a result of the production of this play, Theta Alpha Phi was able to present the gift of \$650 to the Student Loan Fund. At the opening of the winter term, Theta Alpha Phi, in coöperation with the Dramatic Department, assisted in the organization of a new Dramatic Club composed of fifty members.

The fraternity feels that it has justified the second year of its existence at Iowa State Teachers College.

"THE FAMOUS MRS. FAIR"

"The Famous Mrs. Fair," presented by Theta Alpha Phi as their annual mid-summer play, is a serio-comedy dealing with the conflict arising when a woman finds herself desirous of self-expression while tied to the duties of family life. Not everyone agrees with the solution offered by the play, but everyone who witnessed the performance last summer had to think about the question presented. This is one purpose of Theta Alpha Phi—to present plays that entertain yet leave a basis for thinking. The cast brought out the author's purpose through admirable acting.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

"We unite in the determination to live unreservedly Jesus' law of love in every relationship, and so to know God."

This has been the aim of the Y. W. C. A. throughout the year, and girls were urged to join with us in seeking the right way in life. Many groups have been working—each striving toward this same goal, but each in its own way. Over 100 girls in classes, committees and councils have met regularly for Bible Study, Y. W. C. A. training, and for study of International, Rural, Y. W. C. A., Church, and campus relationships and problems.

Seven girls attended the Lake Geneva Conference, and sixty girls attended the Iowa Student Convention at Des Moines. Follow-up discussion meetings were held as a result of this student convention.

The Y. W. C. A. and Y. M. C. A. together conducted an Honesty Propaganda during the year. An interesting project in the form of a two-weeks "Charm School" was carried on by the girls in February. Over 500 girls have done actual work in the Y. W. C. A. this past year.

The social life has been promoted by hikes, teas, mixes, and cozies.

The Y. W. C. A. rooms are used continuously by girls who find there a place for study, rest, and fellowship.

We try to make the Y. W. C. A. a place of friendly hearts—a place to serve and learn to serve—a place to know God.

In the quiet hour of the morning, before the busy industry of the day begins, a prayerful soul comes to its maker to receive that strength and encouragement that no human being can give. It is for this reason that the Iowa State Teachers College Y. M. C. A. sponsors the Morning Watch. It makes it possible for the Christian men of the campus to meet for a few minutes in quiet fellowship, and gain an inspiration and a clearness of purpose for the day's work that it may all be done to the glory of the great Creator.

FRIENDSHIP COUNCIL

At the call for men to organize a friendship council, men responded. Through the efforts of President Brown and E. H. Hinckly, State Student Secretary of Des Moines, the cabinet succeeded in getting a council ready for business.

The prime purpose of the council is to create a bond of union between the Christian men of the institution in order that they may strengthen one another and others in the Christian life, and become more effective in their Christian service. Also to carry out plans and suggestions made and authorized by the cabinet.

Members of the association must be sincere followers of Christ, and active members of Y. M. C. A.

The members must be leaders, and be respected for character and faithfulness in studies. Men who see bigness of work of the association, and who are keeping morning watch and trying to lead men about them, to Christ, must have faith and hope, and must not give up the battle till it is won.

LAKE GENEVA

Lake Geneva conference was well attended by five men from the Y. M. C. A., and they were more than well paid as the faculty at this conference was made up of some of the foremost men in lines of interest to all the world. Some of the men were: Kirby Page, Raymond Robbins, Sherwood Eddy, "Dad" Elliot, John Mott, and many others. Then there were the sports and the lake, and the trip through the famous Yerkes Observatory, an education that can not be obtained in school, and an outing combined with something that cannot well be missed. The following men drove through in Hersey's Ford: Lewis Hersey, Paul Brown, Dilman Domer, Allen Read, and Claude Swanson.

THURSDAY MEETINGS

The Y. M. C. A. has been conducting on Thursday morning a series of very interesting meetings on subjects of interest to all, and also on subjects that are attracting the interest of all campuses. There has been a very good interest shown in the meetings, and the attendance has been gratifying to the Y. M. C. A. There have been more men at the discussion meetings than in the past, and this goes to show that men are interested in discussing questions of vital importance. Some of the subjects for discussion were: The Klan; Woman's Attitude Toward Men on the Campus and Men's Attitude Toward the Women; and the question of The Outlawry of War, took up four meetings, and then campus problems were discussed. With the increase in men in the school, the "Y" should show a decided growth.

COLLEGE GOSPEL TEAM

We were glad to see ten young fellows volunteer for gospel team work this year. The ten young men who stepped out for the higher service work are as follows: Domer, Brown, Dooley, Knudsen, Conradi, McCreery, McFazden, Kaltenbach, Porter, and Siegloff.

This team was organized for the purpose of carrying gospel service off the campus. So we have some young men who are not afraid to live and tell of Christ, and the real worth of Christian living. In groups of four, these men have made several enjoyable and successful trips. On January 18, the first trip was to Hampton. All concerned had a splendid trip. On January 25, a group of four went to Hudson to take charge of the morning services of the Baptist Church there. On the same date a group took charge of both morning and evening services at West Park Presbyterian Church in Waterloo. Topics discussed by the fellows were Christianity in business, home, college, and every day life, Christianity in student life, and in athletics.

The Catholic Student's Association of Iowa State Teachers College, which was organized in 1903, has spent another successful year.

The aim of the Association is to extend a welcome to each Catholic student in the college, and incorporate them with the organization fellowship among the members, thereby enabling them to take an active part in the Christian work of the school.

Through the interest and coöperation of Rev. Father Wienke, of St. Patrick's Parish, of Cedar Falls, the religious education of the students has been fostered. Discussions on the principles and beliefs of our religion are held every Thursday.

Social meetings through the generosity of the parishoners of St. Patrick's Church are held in La Salle Hall every two weeks. The literary and musical talent displayed by the various members have added much to the enjoyment of these meetings.

The earnest coöperation of the members has been a big factor in making the work of the organization effective.

This gift that the State has given us,
 Means a real home for five hundred or so,
 And what a college girl wants the most—
 Is a place like home to go.

Our rooms are well furnished and spacious,
 Our parlors, luxurious and grand
 We have all that a college girl could wish,
 An answer for each fair demand.

For we have a home we are proud of,
 One which will meet every desire,
 And you will always find its spirit of companionship
 Around our cheerful grate fire.

CAPTAIN GALLOWAY

Captain Galloway, playing his third and last year as a regular on the Teachers eleven demonstrated his ability as a linesman and leader. Ross was a hard fighter. He formerly played with West Waterloo, and also had one year at Monmouth.

POSEGATE
Center

"Peck" played a consistent game and passed the ball with exceptional accuracy. He proved to be a powerful linesman, always playing a fighting game during his four years of competition. Mention on All-Conference team. His home is at Ames.

ORR
End

"Jack," playing his second year, held down a wing position with the skill of a veteran. He was fast in getting down under punts and a good tackler. His home is at Cedar Falls.

KALTENBACH
Tackle

"Butch," playing his second year, developed into a dependable linesman. He was a sure tackler and a fierce charger and his playing was a decided asset to the team. His home is at Waterloo.

HOMECOMING GAME

OLD GOLD

MASON—Quarterback
 “Mero” proved himself to be one of the most consistent men of the backfield by being a clever open field runner, and one of the surest tacklers. His home is at Redwood Falls, Minn.

MACON—Tackle
 “Dave,” as a regular on the Teachers Eleven, was one of the most feared of the Tutor linesmen. His charging on offensive play opened wide holes in the opponents line, and his defense was of the best. All-Conference tackle. His home is at Washington.

BATES—Fullback
 “Dave” was one of the most versatile men in the backfield. He could pass and hit the line with equal effectiveness, and his punting, his long suit, gained many yards for the Tutors. His home is at Northfield, Minn.

MEYERS
Substitute Tackle
 “Oldie” got into almost every game, and broke up many plays as well as helping to take care of his side of the line on offense. He formerly played with West Waterloo.

The season opened with the St. Ambrose game at Davenport. Both teams were equally matched, but a fumble and a drop kick gave the deciding score to St. Ambrose. The line did especially good work in this game.

Iowa Wesleyan furnished little opposition in the next game. It was straight football throughout the whole “walkaway” game.

The Simpson game was played with the team badly crippled, “Joker” with his shoulder, and the whole regular backfield out except Mason.

PENN GAME

OLD GOLD

PIPPINGER
Center

"Pip," two hundred and ten pound center, played a hard defensive game, and proved to be an accurate passer toward the end of the season. His home is at Sanborn, Iowa.

PHELAN
Halfback

"Bill," a hard man to stop in open field, was a good tackler, and running interference was one of his outstanding points.

TOLLEFSON
Guard

"Bull," was fast and full of fight and was a constant source of worry to his opponents. He was a good defensive man, and could take lots of punishment. He played with East Waterloo while in High School.

ADDY
Tackle

Addy, proved to be a good linesman, both defensively and offensively. His fight and "heady" playing, made up for his lack of weight. His home is at Sheldon.

There was a general letdown in morale in the game at Oskaloosa with Penn, as the men went into the game overconfident from holding the strong Simpson squad to a 13-0 score in the previous game.

In the Parsons game the boys went to work and played real football and outplayed Parsons throughout the game, but a safety won the game for Parsons, when Parsons blocked a punt and the ball rolled to the side lines behind the bleachers.

The Peacocks, the old rivals at Fayette, for the first time since Mendenhall has been here, beat Teachers. They deserved to win and outplayed our team throughout the whole time.

IOWA WESLEYAN GAME

OLD GOLD

SOE—Fullback

"Art," playing his second year, was one of the hardest hitting defensive men on the team. Although kept out by injuries during part of the season he kept up his old fight. He comes from Harlan.

HORTON—Halfback

"Pud," whose cleverness in open field and his ability to pass as well as receive, was given well - deserved mention on the All-Conference team. His home is at Lime Springs.

HARSHBARGER

Halfback

"Joker," although small, ran interference like a veteran, but injuries after the second game of the season broke up his chances of being recognized as one of the best halfbacks in the Conference. His home is at Mt. Pleasant.

FRESHWATER

End

"Freshie," playing his second year, was effective on offensive as well as defensive. His brand of playing was consistent throughout the season. He was given Honorable Mention on the All-Conference team. His home is at Washington, Iowa.

The boys really got to playing in the Dubuque game, and found themselves, which left a good taste in the mouth for the end of the Season.

The 1924 football record is not very impressive from the point of games won and lost, but it must be noted that the men were almost all one to two-year men. All but two come back next year, and prospects are good for a banner year in 1925 football.

HISTORY OF WOMEN'S ATHLETIC ASSOCIATION

In the Spring of 1923, Women's Athletic Association was organized at Iowa State Teachers College with a charter membership of thirty-two members. The purpose of this organization is to foster interest and participation in athletics, to increase physical efficiency, and to develop a higher degree of sportsmanship and school and class spirit among the women students of the college.

The need for such an association was felt a number of years ago. The faculty of the Physical Education Department thought of establishing an organization among the major students of their department, but this plan did not fully meet the situation. The Physical Education majors received a great deal of physical activity and training in sports, while some girls in the college enrolled in other courses, who were eager for physical activities, would not receive the desired benefit that an association would offer. Finally, mass meetings for all college women were called, plans were suggested whereby an athletic association could be organized and managed by the students, with the faculty of the Physical Education Department as sponsors.

Now, women's athletics are based on the point system. Any woman student having acquired one hundred points in any sport offered in the college, and having a scholastic and sportsmanship standing of a desirable degree is eligible to apply for membership. Points may be earned in hockey, soccer, baseball, basketball, tennis, volley ball, simple team games, swimming, track, hiking, field ball, archery, dancing, folk dancing, gymnastic work, and carrying on the duties of an officer for a year in W. A. A.

No person is allowed to make more than one team in sports for one term. A chevron is given to every member who makes a first team. A star is given to the members who are elected captains of the teams. Any member having made 650 points is awarded with a small T-C (T crossed by a C), and anyone having made 1000 points is awarded with a large T-C, (T crossed by a C). These symbols are worn with pride. To earn a large "T-C," is the height of every W. A. A. girl's ambition.

The Association has thrived during the two years of its infancy. The membership has increased three-fold. It has become a member of the Athletic Council of American College Women, the national organization of Women's Athletic Associations. A better spirit has been created between the girls of the school and all physical education work. The letters W. A. A. hold a meaning for every athletic girl in I. S. T. C. The college is beginning to realize that a mighty fleet has come to anchor on our campus.

MISS AGNES IMRIE

Pep was initiated in hockey at the very beginning last fall when we were favored by having Miss Agnes H. Imrie, of Glasgow, Scotland, to start us off at full speed. Miss Imrie was making a tour of American Colleges in the interests of the American Field Hockey Association. I. S. T. C. was her first stop.

OLD GOLD

HOCKEY

Last fall great interest was shown in hockey. Every class was filled to overflowing. A demonstration game was put on between halves of one of our football games. At the tournament, the sidelines were crowded with rooters.

HIKING

Hiking has developed many a sturdy gastrocnemius since W. A. A. has fostered it. A hike of four to eight miles is nothing any more to the feminine striders, who can now outclass some of the "supposedly" sturdier sex.

ARCHERY

If the interest in Archery continues as the past season has indicated, Cupid will soon have keen competition. Archery was elected a W. A. A. Sport last fall.

VOLLEY BALL

If you have ever seen two W. A. A. volley ball teams playing, you would not question the interest displayed in this sport.

FIELD BALL

Field Ball was not made a W. A. A. Sport until the winter term.

BASEBALL

Girls find it ever so much more fun to participate in our great national sport, than to stare from the bleachers. Even Ty Cobb would have had close competition had he been here for the tournament last spring.

SOCCER

Sore toes and shins were in evidence among members of the soccer squad. Mother Nature was kind enough to give us a wonderful season for that favorite sport.

TENNIS

A need for more tennis courts at I. S. T. C. has surely been demonstrated. W. A. A. has put snap into tennis classes and many seek the wielding of the racket both for practice and pleasure.

SWIMMING

"Come on in, the water's fine," is heeded by practically every girl at I. S. T. C.—and most of them come out expert swimmers! In the Inter-Collegiate Women's Telegraphic Meet, held December, 1924, our swimming team took second place.

BASKETBALL

Some fast games were played on the floors, and good support was given to these "cager" enthusiasts during the tournament.

SIMPLE TEAM GAMES

Though simple in name, the interest and rivalry displayed on the floor during the winter was equal to that shown by the Tutors on the football field.

TRACK

"On your marks! Get set! Go!" That's what the girls did last spring, and ran away with the record in the 500-yard Relay (10 runners), in the National Telegraphic Track Meet for College Women.

Every individual who wears the emblem of the Women's Life Saving corps not only has shown herself capable of rescuing a drowning person, but has pledged herself to two years' of volunteer service to the local chapter of the American Red Cross.

This service includes various kinds of work: Teaching other people to become swimmers and life savers, safety first in water sports, and first aid work.

SONGS

"CHRESTOS FOR ME"

Tune: "Just Like a Gypsy"

We are the Chrestos of good old I. S.
T. C.

Making our school days as happy as they
can be,

Helping our schoolmates and society
By being just as kind as we can be.

We carry our anchors and firmly we
take our stand,

Keeping our rose ever near at hand.

Red and white our colors before us
we'll wave,

As we go in and out

All through the years we'll shout,
Chrestos for me.

—VERNICE ALBRECHT.

"OH CHRESTO"

Oh! C-h-r-e-s-t-o!

We're Chresto girls so fine,

We are the b-e-s-t, best,

The best girls all the time.

We've climbed the rope,

We've won success,

And soon we'll lead the line

For Chresto girls are workers,

They're workers all the time.

Chorus

Oh! C-h-r-e-s-t-o!

Chrestomathians!

It makes us s-h-o-u-t,
It makes us shout and yell,
For Chrestomathian sisters
We yell, we yell, we yell,
And if you folks would happy be
Just lift your voice in song,
Jump on to Chresto's jitney,
And join our happy throng.

YELLS

C-C-C-H-R

E-E-E-S-T

C-H-R-E-S-T-Oooooooooo (prolonged)

Chresto!

Eiffel Tower! Ferris wheel!

Motorcycle! Automobile!

Loop the loop!

Shoot the shoot!

Chrestos! Chrestos!

Hear us root.

The first chapter of Phi Omega Pi was founded at Lincoln, Nebraska, 1910, with the name of Achoth, which in 1922 was changed to the present name, Phi Omega Pi.

There are now seventeen chapters of Phi Omega Pi, most of them being in the larger universities and colleges of the United States.

Eta Chapter of Cedar Falls was founded in 1915 and is now the only national sorority of this institution.

SONG

We love but you,
Phi Omega Pi.
Our hearts are true to you,
No matter where we may chance to roam,
We'll always think of you as home,
Our loyal pledge makes us true to you,
And now it grows more each day,
Our hearts ever happy working for you,
We love white and sapphire blue.

PHI OMEGA PI FAMILIAR SAYINGS

Pete: "Well, I'll ask George."
High: "That sure is cockeyed."
Lorna: "My word! Where's the telephone book?"
P. N.: "Call 59, Queenie."
P. B.: "We made \$10 at the game tonight."
Theda: "I've never done that before."
Miriam: "For garden seed."
Ima: "I won't be here this week-end."
Helen S.: "When I was in Jesup!"
Alice: "Any more would be a superabundancy."
Ida: "In case of fire ring the dumbbells."
Bea: "Rody Dow—We don't go to town often, but when we do!"
Fran: "You may be excused."
Ada: "Fat."
Eleanor: "I'll try to be there."
Lee: "I wouldn't mind if it was a little cooler in here."
Betty: "I'll be there, if I can get organized."
Nina: (Just laugh.)

The Pan Hellenic Council is an organization consisting of three members each from the Able Hobo, Alpha Chi Epsilon, and Xanho Fraternities. It was organized in 1923 for the purpose of creating a spirit of coöperation and friendship among the fraternities, assisting in the welfare of the college, and in promoting higher scholastic standards by the organized efforts of its members.

Frankness as a Virtue	Mr. Fagan
Life as a Queen	Dorothy Wilbur
How to Win One Man's Love	Genevieve Hays
Reforming Certain Indoor Sports	Miss Duncan

When its raining cats and dogs it
May, in truth, be called beastly weather.

Mayor Cross—You College men seem to take life pretty easy.
T. C. Ruggles—Yes, even when we graduate we do it by degrees.

Bud Moore—Dad, I'm a big gun at college.
Dad—Then, why don't I hear better reports?

There was a young lady named Ruth
Who had a great passion for truth;
She said she would die
Before she would lie.
And she died in the prime of her youth

EVOLUTION

"A chicken lived, a chicken died,
Its drumsticks and its wings are fried,
Its feathers by a dealer dried,
And very shortly after dyed.
Soul had it none; admitting that,
How comes it there upon her hat,
Its plumes—a mortal chickens—rise
A glorious bird of paradise."

Life's Little Proverbs

A rattling flivver gathers no women;
Poverty makes the taxi ride seem longer.

Early to bed and early to rise impairs the
digestion and ruins the eyes.

"It won't be long now," said the little dog,
as the train ran over his tail.

"You never can tell," said the burglar, as
he shot the only witness to his crime.

"It's all off now," said the bald headed shiek
As he looked into the mirror.

TRADE with those who are appreciative of the College.

The firms and individuals on the following pages are all and all directly interested in the Iowa State Teachers College. They show by their generous support and co-operation that they are aware of the benefits of such a worthy institution in a community.

Remember—they are friends of I. S. T. C.—they welcome you at all times, as they have welcomed us in the publication of the Old Gold.

EVERY COLLEGE

*Necessarily Depends Upon its
Former Students and Alumni*

to send it a large proportion of its students. The over 8,000 Alumni of the Iowa State Teachers College have an immeasurable influence when it comes to determining whether young people shall attend college and where they shall attend.

We Appeal to You

to do your best to send us worthy young people who are willing to become and capable of becoming first class teachers.

The College

Is in season all the year.

Secures positions for all who are prepared.

Offers opportunities to prepare for any kind of certificate.
Leads in Educational Standards of the United States.

The Summer Session begins June 3, 1925, and at the same time Extension Summer Schools will be held for twelve weeks in six other cities of Iowa: Carroll, Clinton, Corydon, Red Oak, and Sheldon.

For the past fifteen years the Educational Department of the Bureau of Engraving, Inc., has been collecting a vast fund of information from the experiences of hundreds of editors and managers of Annuals.

This data covering organization, financing, advertising, construction, selling and original features has been systematically tabulated and forms the subject matter for our series of reference books. These are furnished free to those securing "Bureau" co-operation in the making of engravings for their books.

Begin where others have left off. Profit by their experience and assure **success** for your Annual.

By Their Works Ye Shall Know Them

So it was in olden times and so it is today. It always was and always will be. It is not uncommon for concerns to lay claim to doing the finest grades of printing, when, in fact, their work belies the statement. Others are able to produce a fine quality of work, but at a prohibitive cost.

The one right end of printing office management is quality. Any shop operation that loses sight of that fundamental is fatally wrong. A printing plant is inefficient if its product is not as good as it can be made. That does not mean that economy of production comes second. The two must run side by side. A manufacturing institution is defective if it does not provide maximum quality with the greatest economy. Under that rule alone can there be equal justice to producer and consumer which is the moral obligation of business.

OLD GOLD

ACHIEVEMENT

His great desire was to paint most true
His Master's portrait; fairer far than he
Had seen as yet portrayed, with majesty
In every line and much of sweetness, too.
And on the canvas stretched the artist drew
The outlined Face—no more, for suddenly
Canvas and brush and palette had to be
Put by for needed work his hands must do.

So wrought the years; still on the canvas
stood
Those outlined Features, never added
touch;
His hands too busy were for such;
Then feebleness laid low, and death en-
sued;
And by his couch one said with tender
grace,
"I never looked on a more Christ-like
face."

Fragments

Civilization has no greater
educational service to maintain
than that of preparing teachers
for children and youth.

This province is assigned to
the Teachers College and thereby
it becomes the most important
and the most effective agency for the
public welfare that the State
can organize and support.

Amner H. Sealey.
